#### MORNING APPEAL.

SUUDAY ..... OCTOBER 13

#### A SENSIBLE SUCCESTION.

A State contemporary suggests that the people of the silver States and Territories assemble in mass meetings and pledge themselves to support no political party that does not make remonetization of silver, one of its principles. It is a sensible suggestion. The silver men have appealed successfully to the sense of justice of the ruling politicians at Washington, now let them appeal to their fears. Let the men who shape the legislation of the country be made to understand that the people of the West are in ernest, and that the silver question is of as vital importance to them as the question is to the people of Pennsylvania. It is the only way in which we can obtain such recognition of our claims as will reoult in any practical benefit through the channel of National legislation.

#### OUCHT TO BE JAILED.

Lee & Perrin, of London, have entered suit against Jacob Kline of San Francisco, because he has manufactured a vile imitation of their Worcestershire Sauce. The geruine article has been enjoyed by millions of epicures all over the world.

The counterfeit article is a rank smelling compound that fills the room with odors and fouls the breath so that a person who has used it can be detected yards away. Yet there restaurants and hotels which persist in keep ng it under the idea that their customers do not know the difference. No one who has ever used the genuine can be fooled by the counterfeit, and anyone who uses, sells or has the counterfeit in his possession ought to be jailed.

#### A Successful Fair.

The Fair just closed has been the most successful District Fair ever held in this State. It has given satis action to all who attended. and the praise of our enterprise and exhibit is sounding everywhere. The Directors of the Association have worked hard to achieve this result, and they are congratulated on every side.

Our Fair is something for the State Fair to pattern after.

The Grand Jury of San Joaquin county. Cal., made a foolish play when it took exceptions to Juoge Sawyer's decision in the Neagle case. It had nothing to do with Sawyer at all. Its report should have simply read: People vs. David Neagle. Murder. True bill found, or bill ignored. Instead of that it published a tirade against Sawyer as a piece of buncombe, knowing that it was all fudge and would never have the slightest ef-

The Placerville Argus says that the Salvation Army people loaf pround all day and make the Salvation "lasses" do the work and earn t ... "lads" a living. They seem to be about the same grade of intellipence as the Washoe Indians except that the latter do not abtrude their 1 ligion on strangers.

St. Louis has undertaken the prangements for a National Silver Convention, the Delegates to embrace the representatives of all industries in the country, as well as of the Silver Mining Sections, and ps ticularly of the Agricultural int-rests; wheat, corn, cotton, etc.

#### What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide eputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalled satisfaction for purifying the blood as BEGG~ BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedic, Druggist

A HALE OLD MAN .- Mr. James Wilson of Allens Springs, Ill., who is over sixty years of age, says: "I have in my time tried a great many medicines, some of excellent quality; but never before did I find any that would so completely do all that is claimed for it as Chamberlain's Colic, Cholera and Diar rhoea Remedy. It is truly a wonderful medicine." For sale by Geo C. Thaxter.
